Student Insurance  
2015-2016 School Year

Dear Parents/Guardians,

In spite of extensive efforts on our part to promote safety, students are sometimes injured at school or on their way to and from school. This often places a financial burden on parents if they are uninsured.

The Titusville Area School District offers a group plan of accident protection that provides benefits for children injured at school or on school property. This includes injuries suffered while participating in athletic events (other than high school football); and while traveling to and from any school sponsored activity.

The plan of insurance being offered is limited in coverage. The attached information describes in detail the coverage and limitations of this program. This insurance is made possible by the Titusville Area School District solely as a public service. You may or may not elect to insure your child; however, the opportunity is being presented to you. If you presently have adequate medical insurance coverage, either individually or through your employer, you may not wish to purchase this coverage.

School Sponsored Student Accident Insurance Plan

$500,000 Maximum Benefit

Accident Coverage
This plan, underwritten by Zurich American Insurance Company, Schaumburg, Illinois, covers medical expenses incurred from accidental bodily injuries including but not limited to: 1) broken arm from falling off bicycle, 2) concussion from being hit in the head, or 3) lacerated foot from stepping on broken glass. This plan does not cover medical expenses from sicknesses such as measles, mumps, or the flu.

Choose from Two Plans of Protection for Your Child

A. School Time Only Protection covers most school sponsored and supervised activities including regular school session, summer school, direct travel to and from regular school sessions, direct and uninterrupted travel to and from school activities, as well as participation in most school activities (see listed exclusions).

B. 24-Hour Round-the-Clock Protection provides coverage on a 24-hour per day basis – during school hours, after school, evenings, weekends, holidays, and summer vacation - anywhere in the world until school reopens the following school year.

Please note: Injuries from interscholastic athletic activities are not covered under this plan.

$100 Excess Coverage
The Student Accident Insurance is $100 excess coverage. This means that benefits will be paid on the first $100 of covered expenses without regard to any other insurance coverage that may apply. After the first $100 in benefits have been paid, you must go to any other personal or group insurance that may apply before this plan will respond further. If you have no other applicable coverage, this plan will respond on a primary basis.

Benefits: are provided for accidental injuries for which medical treatment by a physician, surgeon, dentist, or registered nurse, hospital service, ambulance services, or X-rays are rendered. The initial treatment must be rendered within 90 days of accident and benefits are limited to treatment rendered within 260 weeks of the date of accident. All claims must be submitted to the company within 90 days from the date of accident.

This plan covers accidental bodily injuries resulting in death and dismemberment. The payable benefit amount for accidental deaths is $10,000. The payable benefit amount for accidental dismemberment is up to $20,000 - the actual amount will be determined according to the dismemberment scheduled listed in the Policy. Exposure and Disappearance Benefit included on the Policy extends coverage for the following: Exposure - If an Insured is exposed to weather because of an Accident and this results in death, the Insured will be eligible for the applicable accidental death benefit; Disappearance - If the conveyance in which an Insured is riding disappears, is wrecked, or sinks, and the Insured is not found within 365 days of the event, We will presume that the person lost his or her life as a result of injury and the Insured will be eligible for the applicable accidental death benefit.

Maximum
