

# Main Street Elementary School Fall Newsletter

**No School November 10th & 11th**  
**Parent Teacher Conferences**  
Thanksgiving vacation will be November 24th—28th  
Everyone will return on Tuesday, November 29th

There will be no school for students on November 10 & November 11, 2022. **Parent/teacher conferences are currently being scheduled for these days. They will be virtual or take advantage of coming in face to face and stop to shop at the BOOK FAIR! Thank you for working with us at Main Street to focus on your child’s learning!**

**Veterans Day**  
In honor of Veterans Day, students will be decorating placemats for a Veteran’s day dinner and sending cards to troops overseas!

**Safety Reminder**  
Please remember to drop off and pick up your students in the designated areas before and after school. Our school buses and district vans need lots of room around them to keep our students safe. Please remind your children to use the crosswalks at the corners on Washington Street and on Franklin Street. We really appreciate your cooperation in this matter.

## Notes from Mrs. Lucas’s Desk

We would like to thank all of the parents who have turned in excuse slips so far this year. Keep up the good work! This is a reminder when you get the attendance call, you can click on the Google Form and fill out an excuse that way! Super simple! We are trying to help streamline the attendance process!

If your child has a change to their daily after school routine, please send a note with them to school. If a student does not have a note and we do not receive a call, then your student MUST follow their regularly assigned departure procedure. If at all possible, please try to avoid calling with last minute changes at the end of the day. We thank you for your support!

**Let’s Stay Healthy**

- ◆ Remind your child to wash their hands frequently.
- ◆ Help your child to get a good night’s sleep.
- ◆ Encourage your child to eat a healthy diet.
- ◆ If your child is not feeling well, please keep them home.

## A Message From Your Principal

Our Main Street students are amazing! They continue to show their ROCK characteristics each day by Respecting each other and the adults in the building, Owning their behaviors, whether good or bad, they show Caring deeds throughout the day and they are practicing Keeping safe through drills and practice. As we all know, it doesn’t stop with our kids because it takes many people to help our students succeed. It starts with their guardians, whether parents, grandparents, extended family or friends. You are amazing! We appreciate you and the support you give your child before and after school. COMMUNICATION is key throughout the school year! So please be open with the school about any concerns or help we can provide them while they are here at Main Street with us! This year we have incorporated a new intervention system that has included everyone from our teachers to our aides to our special education teacher to some outside resources and led by our reading specialist. Within the classroom our students are learning a new Reading curriculum so our teachers have taken on an abundance of extra work and hours going into this school year. They have done a great job utilizing every minute of their time to provide a curriculum that is consistent among all elementary classrooms K-5th. Lastly, our fundraisers have been a success so far! We raised around \$577 for our Main Street clothing and \$896 through our Penny Wars! The enthusiasm that our Penny Wars brought was contagious and we thank you for your generosity in helping to make end-of-the-year activities a possibility and success!

Mrs. Jessica Millard

**Homecoming Celebration**

**VFW Flag Assembly for 5th Grade**

**National Walk to School Day w/ 5th Grade**

**Title I Night  
and  
Fall fest**
