

Mission 2

January, 27th 2023
Carnegie Science Center

ONE OF THE FOUR CARNEGIE MUSEUMS OF PITTSBURGH

What: Carnegie Science Center, Planetarium, and Sportsworks

The next TMS Mission Day will be on Friday, January 27th. Our goal is to have as many students as possible earn their boarding pass and qualify to go on the mission.

Boarding pass requirements:

Academics: Must be passing all classes with at least a 65%

Behaviors: A student can have no more than 1 hour of after-school detention and no days of suspension or in-school suspension.

Attendance: A student must have zero unexcused absences and no more than 4 late arrivals to school.

The schoolwide focus for the second nine-weeks is respect and accountability.

We will focus on respect and accountability during this nine weeks. Respect means that **you** accept somebody for who they are, even when they're different from you or you don't agree **with them**. Respect in your relationships builds feelings of trust, safety, and wellbeing. Respect doesn't have to come naturally – it is something you learn.
