

Project BELIEVE

ENRICHING THE STUDENT EXPERIENCE THROUGH SOCIAL AND EMOTIONAL SUPPORTS.

What is Project Believe?

Project Believe is an after-school program that provides supports to students in an environment that is different than the traditional school day. The program seeks to improve the social and emotional competencies of students to increase academic achievement and attain long-term goals.

What will students do?

- Set short-term and long-term goals
- Improve social and emotional skills
- Receive academic tutoring
- Build academic skills through enrichment
- Have fun

Visit the Middle School Website to sign up for the program by 10/9/23.
