## Non-Aerosol Topical Sunscreen Use

In October 2018, the Pennsylvania School Code was amended to include a section on Sun Protection Measures for Students. Section 1414.10 states that a school entity shall allow the application of sunscreen during school hours, at a school-sponsored activity, or while under the supervision of school personnel. Review the full legislation, which is available on the Pennsylvania General Assembly's website: [www.legis.state.pa.us](http://www.legis.state.pa.us).

Parents/guardians may choose to supply their child with non-aerosol topical sunscreen, if it is approved by the Food and Drug Administration. Parents/guardians must complete and submit the following information in order for their child to apply sunscreen during school hours, at a school-sponsored activity, or while under the supervision of school personnel.

Student Name: \_\_\_\_\_ Grade: \_\_\_\_\_

School: \_\_\_\_\_

Date: \_\_\_\_\_

- By checking this box, you confirm that you are the parent/guardian of the student
- By checking this box, you confirm that you understand that the school is not responsible for ensuring that the sunscreen is applied by the student
- By checking this box, you confirm that the student has demonstrated that they are able to self-apply the sunscreen

A school may cancel or restrict the possession, application, or use of a non-aerosol topical sunscreen product by a student if any of the following occurs:

- The student fails to comply with school rules concerning the possession, application, or use of sunscreen
- The student shows an unwillingness or inability to safeguard the product from access by other students

If a school cancels or restricts the possession, application, or use of the sunscreen by a student, the school entity shall provide written notice of the cancellation or restriction to the student's parent or guardian.
