

# Main Street Elementary School

## 2023 Fall Newsletter

Thanksgiving vacation will be November 23rd—27th  
Everyone will return on Tuesday, November 28th

There will be no school for students on November 9 & November 10, 2023. **Parent/teacher conferences are currently being scheduled for these days. They will be virtual or take advantage of coming in face to face and stop to shop at the BOOK FAIR! Thank you for working with us at Main Street to focus on your child's learning!**

### Veterans Day

In honor of Veterans Day, students decorated placemats for a Veteran's day dinner and are sending cards to troops overseas!

### Safety Reminder

Please remember to drop off and pick up your students in the designated areas before and after school. Our school buses and district vans need lots of room around them to keep our students safe. Please remind your children to use the crosswalks at the corners on Washington Street and on Franklin Street. We really appreciate your cooperation in this matter.

### Notes from Mrs. Lucas's Desk

We would like to thank all of the students who have turned in excuse slips so far this year. Keep up the good work! This is a reminder when you get the attendance call, you can click on the Google Form and fill out an excuse that way! We are trying to help streamline the attendance process!

If your child has a change to their daily after-school routine, please send a note with them to school. If a student does not have a note and we do not receive a call, then your student MUST follow their regularly assigned departure procedure. If at all possible, please try to avoid calling with last minute changes at the end of the day. We thank you for your support!

**Respect Others**  
**Own Our Behaviors**  
**Caring Words and Deeds**  
**Keep Safe**

### A Message From Your Principal

Our Main Street students are amazing! They continue to show their ROCK characteristics each day by Respecting each other and the adults in the building, Owning their behaviors, whether good or bad, they show Caring deeds throughout the day and they are practicing Keeping safe through drills and practice. As we all know, it doesn't stop with our kids because it takes many people to help our students succeed. It starts with their guardians, whether parents, grandparents, extended family or friends. You are amazing! We appreciate you and the support you give your child before and after school. COMMUNICATION is key throughout the school year! So please be open with the school about any concerns or help we can provide them while they are here at Main Street with us! We continue to implement our new intervention and curriculum for ELA. We hope that we start to see the connections among grade levels and skills, which will help lead to increased proficiency in DIBELS. Our district's goal for our math curriculum, is to pick a new resource that will be implemented in our classes in the 24-25 school year. Lastly, our fundraisers have been a success so far! We raised around \$350 for our Main Street clothing and \$1300 through our Penny Wars! The enthusiasm and friendly competition that our Penny Wars brought was contagious and we thank you for your generosity!

Mrs. Jessica Millard
